FUEL ADJUSTMENT CLAUSE OF LOUISVILLE)	CASE NO. 92-494-B
GAS AND ELECTRIC COMPANY FROM)	
MAY 1, 1993 TO OCTOBER 31, 1993)	

O R D E R

This matter arising upon petition of Louisville Gas and Electric Company ("LG&E"), filed March 4, 1994, pursuant to KRS 278.400 and 807 KAR 5:001, Section 4(10), for rehearing of the Commission's Order entered February 14, 1994, denying confidential protection for LG&E's response to data request 1(b) of the Commission's Order dated December 27, 1993, and it appearing to this Commission as follows:

On December 27, 1993, the Commission by Order directed LG&E to furnish certain information contained in the data requests appended to the Order. While responding to the data requests, LG&E petitioned the Commission to hold as confidential, its response to data request 1(b). That request asks for information relating to bids received from LG&E's coal suppliers and the methods by which the bids were evaluated. The Commission, on the basis of the factual allegations made in the petition, concluded that the information was not exempt from the provisions of the Open Records Act and the petition was denied. In its application for rehearing, LG&E has requested that the Commission either reconsider its

earlier Order and grant confidential protection or, in the alternative, grant LG&E an evidentiary hearing to develop the issues more fully.

Good cause having been shown for LG&E to present additional evidence in its behalf and this Commission being otherwise sufficiently advised,

IT IS ORDERED that:

1. LG&E shall within 30 days from the date of this Order file additional evidence in the form of direct testimony and supporting exhibits relative to the issues raised in its petition for confidential protection.

2. The Commission may, after considering the additional evidence, schedule an evidentiary hearing in this matter if such hearing is deemed advisable.

3. The information sought to be protected from public disclosure shall be held and retained by this Commission as confidential pending further Orders herein.

Done at Frankfort, Kentucky, this 21st day of March, 1994.
